We thank everyone for all of your support over the years. We hope that this 19th run will be the most successful we have ever had. Together we can make it happen! With your help, over the past 19 years, we have been able to serve over 1050 victims of domestic violence and their family members.

All proceeds from the jump will go toward victim services. We provide shelter, legal advocacy, outreach and community education, psycho-educational groups as well as child advocacy and education in Hart, Franklin and Elbert Counties. Together we can create non-violence communities.
